The success of our Awana Club is dependent on volunteers that have a tender heart toward a ministry for children. Every year, GCA has been blessed with committed and faithful adults that fulfill this need. Through this, children are shown in a tangible way that God loves them. And for that, we are thankful! Each club, from Cubbies to T&T, requires a minimum number of listeners and/or leaders. This ensures your child the attention, time and acknowledgement needed for completed Book Sections as well as unique Counsel/Story Times and the ever-popular Game Time.

Please prayerfully consider where you could help below & you will be blessed beyond measure!
